

BRIDES-LES-BAINS

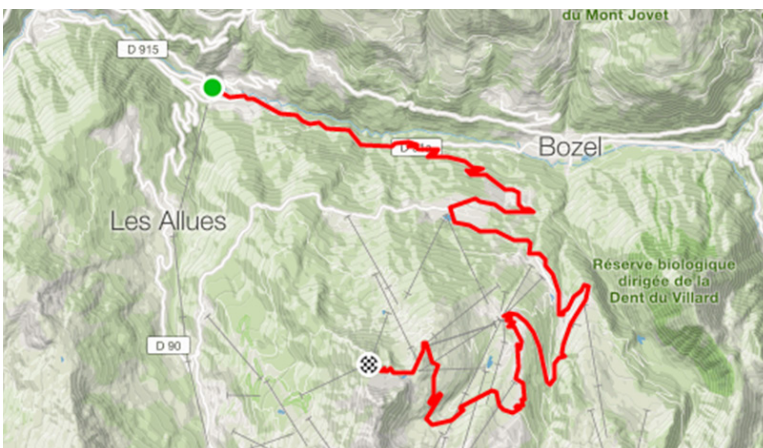

COL DE LA LOZE

PRESENTATION

The Col de la Loze is the latest alpine pass treasure. And no doubt it will be quick to make a name for itself. This pass connects the Courchevel and Meribel valleys via a road open only to bikes, pedestrians or other non-motorized guests. One more reason to come and challenge yourself on its slopes, taking you to 2300m of altitude, with a view over La Grande Casse.

The Col de la Loze is the latest alpine pass treasure.
